

EVYP5841AX BI Oven

Professional results in a compact, easy-to-use format

Based on the insights from the professional kitchen. It comes with a wide variety of settings, so you can enjoy the same superb taste and high quality as in a restaurant, but with much simpler processes and in your own home.

The right cooking time - every time

Your dishes will always be cooked just right, thanks to the food probe that alerts you and switches off the oven when food reaches the desired core temperature.

For the best, most even cooking results

Thanks to the UltraFanPlus system and the extra-large fan in this oven, you're ensured of the even and consistent heat distribution you need to get the very best results.
